Random House, 2009. Soft Cover. Condition: New. It is easy to see why so many novelists are drawn to early fin-de-siècle Vienna. There is the music, art, literature, and architecture. There are figures such as Freud and Mahler who cry out for fictional reincarnation. Above all, there is the tottering empire, still glittering but rotten at its core, and churning beneath it the imminent chaos of the 20th century and of two world wars. Frank Tallis, in his exceptionally fine Dr. Liebermann/Inspector Rheinhardt series, incorporates all these elements with such subtlety and depth of understanding that his shadowy Vienna becomes both more familiar and more intriguing as the series progresses.
