

Progress and Purpose: A Developmental History of the United States Marine Corps, 1900-1970 (Paperback)

By Usmc Lieutenant Colonel Kenn Clifford

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Marine Corps contributions to the development of doctrine, tactics, and techniques of amphibious warfare have been cited in various Marine Corps histories for at least the past 70 years. It was the idea of Lieutenant General James M. Masters, Sr., then Commandant of Marine Corps Schools, 1966-1968, to restate these contributions and to cite some other contributions such as the doctrine of vertical envelopment and the use of helicopters in land warfare. My idea was to tell the story of these contributions without using a chronology of Marine firsts. The book is generally divided into decades giving the status of the Marine Corps during the particular decade, coupled with a brief introduction into the political and economic climate of the times. This was of course important because it is those economic and political factors that directly affected the military situation. In researching for the story, three unique things became apparent. The first was that in 1932, the Marine Corps Schools at Quantico chose to study a case history in disaster from World War I, the Gallipoli-Dardanelles Campaign of 1915-16. Rear Admiral L.E.H. Maund,...
