

## The Economics of Modern Business (Paperback)

By W. Duncan Reekie, D. E. Allen

John Wiley and Sons Ltd, United Kingdom, 1991. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Outdated management techniques cannot be expected to cope with the complex problems of modern business. Today s managers must be more flexible, knowledgeable and competitive than they have been, and have a greater understanding of the structure of their organization. In this completely revised and updated second edition of a widely adopted textbook for business students, the authors examine contemporary management issues. A special feature is its successful integration of introductory financial analysis with microeconomic theory. This book includes extensive analysis of: \* Financial markets. \* Distribution channels. \* Industrial Relations. \* Government industry policies. The emphasis is on industrial factors, but the book also demonstrates the significant importance of market forces in business decision-making. The first edition was The Economics of Modern Business by W.D.Reekie and D.E.Allen.
