Events Management: An Introduction (Paperback)

By Charles Bladen, James Kennell, Emma Abson

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. 2nd New edition. Language: English . Brand New Book. Contemporary events management is a diverse and challenging field. This introductory textbook fully explores the multidisciplinary nature of events management and provides the student with all the practical skills and professional knowledge they need in order to succeed in the events industry. It introduces every core functional area of events management, such as marketing, finance, project management, strategy, operations, event design and human resources, in a vast array of different event settings from sport to political events. This new edition has been updated to include: * New and updated content on developments in technology, risk management and event volunteering. * New and updated case studies that include emerging economies. * New industry voices by international practitioners. Every topic is brought to life through vivid case studies, personal biographies and examples of best practice from the real world of events management. Written by a team of authors with many years experience of working in the events industry, Events Management: An Introduction is the essential course text for any events management programme.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Catherine Wehner

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
