

The Philosophy for the Future: A Journey Through the Heights (Paperback)

By George Sowers

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This ambitious work develops a comprehensive philosophy based on the world view of modern science and technology, illustrating how they can address questions that are as old as man himself- why we re here, what our purpose is in life, and what gives meaning to our time here on earth. The book makes complex and weighty topics readable, understandable, and exciting to consider. The scope of book is vast, from logic, mathematics and fundamental physics to evolutionary biology and neuroscience. It treats philosophic issues such as the free will problem, the problem of consciousness and the foundations of ethics from a pragmatic, scientific perspective. The vision presented is hopeful and exciting, a future of unbounded possibility and potential. Dr. George Sowers is a physicist, engineer and executive in the Aerospace industry.

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).

-- Jaqueline Kerluke

I just started looking at this pdf. It can be rally fascinating through studying period of time. Its been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.

-- Mr. Stephan McKenzie
