

Elliott: A Biography in Verse

By Jason David Peterson

Distillate Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Elliott is an experiment in biographical verse. It does not lead you through the tunnel of the character s experience with a bright light and comforting narrative, but asks you to follow by the feel of walls in the dark and the recognition of something familiar just a few steps ahead. What could be called an essay on male identity in the modern age is communicated here with the same tension that underlies its thesis.
