

The Isthmus of Darien in 1852; Journal of the Expedition of Inquiry for the Junction of the Atlantic and Pacific Oceans

By Lionel Gisborne

Theclassics.us, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1853 edition. Excerpt: . GOLD MINES AT CANNES. 173 more than 50 per cent over English prices, so that with care and economy small fortunes are rapidly made, which, when put into trade, often raise a humble mechanic to the position of a rich merchant. Such is the real history of fortunes, and not, as is generally supposed, a lucky gold digging, which in a few months has realized thousands. Some have made large sums at the diggings, and thousands are now earning a livelihood at them; but I feel satisfied that prudence and foresight in commercial speculations, at a time when the demand commanded high prices, has raised more people to affluence than the gold discoveries, which set the whole system in motion. There is at present a French company that have received certain concessions in Darien on the Rio Grande, whose object is to open...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
