Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. In June 1861, when the Civil War began, Charley Goddard enlisted in the First Minnesota Volunteers. He was 15. He didn t know what a shooting war meant or what he was fighting for. But he didn t want to miss out on a great adventure. The shooting war turned out to be the horror of combat and the wild luck of survival; how it feels to cross a field toward the enemy, waiting for fire. When he entered the service he was a boy. When he came back he was different; he was only 19, but he was a man with soldier s heart, later known as battle fatigue.
