Introduction Charlotte Perkins Gilman's The Yellow Wallpaper (1892) has often been subject of feminist discourse but very seldom of queer discourse. In order to prove the importance of a queer reading, we analyse language and style of this text in order to present an interpretation beyond the feminist one which seems to be the most obvious. A close reading of the first 39 paragraphs will be given to make clear that The Yellow Wallpaper definitely offers enough textual material to read the text through a queer reader's gaze. While there has been speculation on the topics to attempt to argue that Gilman herself was queer, a close analytical reading of the text only will prove this idea and will speak for itself. Before we have a closer look at the stylistic devices relevant for our interpretation, we need to give a short definition of the term queer...
