Summer has finally arrived and fifteen-year-old Harper McCallister intends to spend her days at the mall shopping or by the pool at her country club. But after receiving her latest heart-stopping credit card bill, Harper s parents makes other plans, and ship her off to camp. Suddenly, the clueless yet ever-popular Harper is the new girl at the bottom of a social ladder she can t climb in wedge sandals and expensive clothes. She seems to be winning over super-cute camp Lifer Ethan, though, and if she can manage to make a few friends--and stay out of trouble--she just might find a whole new summer state of mind. A fresh and funny summer-camp companion novel to Jen Calonita s hit Sleepaway Girls.
