Stanford University Press, United States, 2001. Hardback. Condition: New. Language: English . Brand New Book. The book focuses on the way the Courtier and Galateo cope with and represent the interaction between changes of elite culture and the changing construction of masculine identity in early modern Europe. More specifically, it connects questions of male fantasy and masculine identity to questions about the authority and reliability of narrators, and shows how these questions surface in narratorial attitudes toward socioeconomic rank or class, political power, and gender. Because sprezzatura is negatively conceptualized as the absence of grace it generates anxiety and suspicion in performers and observers alike. In order to suggest how the binary opposition between these terms affected the discourse of manners, the author singles out the titular episode of Galateo, an anecdote about table manners, which he reads closely and then sets in its historical perspective. Part Two takes up the question of sprezzatura in the gender debate that develops in Book 3 of the Courtier, and Part Three explores in detail the characterization of the two narrators in the Courtier and Galateo, who are represented...
