Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.ABOUT THIS BOOK: This book is the UPDATED 2018 version that features a practice exam. This book is the SOFT COVER VERSION of the E-Book. For many, this is a popular choice. This book is easier to read than the E-book version, easier on your eyes, and something you can hold in your hand while you relax anywhere you want. Also, the 150 question practice exam is much easier to take using this format than with the E-Book. This book serves three main audiences. The first audience consists of anyone employed or seeking employment as a private investigator, criminal defense investigator, SIU investigator, claims investigator, background investigator, loss prevention investigator, an investigator assigned to a law firm, or any investigator who does not have access to law enforcement restricted information. These readers will find this book a helpful resource guide to conducting a basic investigation. The second audience includes those looking for assistance in learning how to open and manage a California-based investigations agency. The third audience, for which this book has been particularly helpful, involves those preparing to pass the California Private Investigator Exam. Readers in this category have found the discussion about the Business and Professions Code, Penal Code, Civil Code, Civil Code of Civil Procedures, Evidence Code, and the Vehicle Code particularly beneficial. This book also contains information on background investigations, client intake procedures, criminal defense strategies, court procedures, ethics, gathering information, marketing, planning, surveillance techniques, public and private record searches, skip-tracing procedures, traffic collision investigations, trial preparation, and much more. In addition, this book contains legal analyses of court decisions and statutory law. Although nothing in this book can be construed as legal advice, Shaun has hired several...
