Jossey-Bass. Paperback. Condition: New. 352 pages. Praise for Urban Health and Society This is a spectacular resource for practitioners, policymakers, researchers, and students interested in improving the lives and health of individuals and families in urban settings. This book provides the most current frameworks, research, and approaches for understanding how unique features of the urban physical and social environments that shape the health of over half of the worlds population that is already residing in large cities. Its interdisciplinary research and practice focus is a welcome innovation. Hortensia Amaro, associate dean, Urban Health Research; Distinguished Professor, Bouve College of Health Sciences; and director, Institute on Urban Health Research, Northeastern University Urban Health and Society: Interdisciplinary Approaches to Research and Practice provides students in public health, urban planning, social work, and other professions with the critical knowledge and practical guidance they need to work as effective members of interdisciplinary teams aimed at studying and addressing urban health problems. Throughout the chapters, the books attention to community participation, social justice, and equity as well as interdisciplinary research methods make it an invaluable resource. Barbara A. Israel, professor, Department of Health Behavior and Health Education, School of Public Health, University of Michigan The book will be of great interest to academics, politicians, planners, and public health professionals attempting to understand or reduce urban health risks, create safe urban environments, and deliver effective and sustainable health services and programs to urban populations. Stephen Lepore, professor and PhD program director, Department of Public Health, Temple University This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
