Baker Publishing Group, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Eight-year-old Lucy Turnbull knew better than to wish for a pony that Christmas in 1937. Her mother had assured her in no uncertain terms that asking for a pony was the same as asking for the moon. Besides, the only extra mouths they needed at their boarding house were the paying kind. But when an interesting pair of strangers comes to town, Lucy starts to believe her Christmas wishes might just come true after all. The queen of the Christmas novel, Melody Carlson pens another magical tale of expectation and excitement as one little girl dreams big and the impossible becomes possible.
