Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Excerpt from The Business Man s Encyclopedia, Vol. 2: The Business Man s Brain; Partners, Insurance, Postal Laws, Business Data, Dictionary of Business Terms The rules, which apply rather to the thought than to the way in which the thought is expressed, are six in number. Anyone who has to judge the value of a Business letter before it is mailed will find in them tools far more significant than his own individual preference or dislikes. Avoid Debatable Statements. - Never assert in any way in your letter that which is debatable or untrue. In other words, never give the prospect a chance to argue, to doubt you, or to say no. Every sentence and paragraph is to be so written that the prospect must admit its truth. There is a danger, for instance, in saying You are a busy man, or You have seen our letters. You do not know these facts for certain. You can get around the difficulty by adding doubtless or a similar qualifying phrase, which makes your sentence absolutely true. The significance of this principle will probably not become entirely clear, however, until we come later to the underlying psychology of the matter. The same is true, in part, of the five rules following. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
