

## Syria: The Desert and the Sown (Paperback)

Filesize: 7.31 MB

### **Reviews**

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

I.B.Tauris Co. Ltd., United Kingdom, 2016. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. You may rely upon one thing - I ll never engage in creating kings again; it s too great a strain. Gertrude Bell - traveller, scholar, archaeologist, spy - was one of the most powerful figures in the Middle East in the 20th century. With T.E. Lawrence, she was a significant force behind the Arab Revolt and was responsible for creating the boundaries of the modern state of Iraq, as well as installing the Hashemite dynasty, with Faisal I as king, in Iraq and Transjordan. Her knowledge of the Arab world was forged through decades of travel and the relationships she built across Arabia with tribal leaders and kings, who referred to her as Umm al Mu mineen, or Mother of the Faithful. In the winter of 1906, she undertook an often dangerous journey through Greater Syria - Damascus, Jerusalem, Beirut, Antioch and Alexandretta - and her portrait of the landscapes, people and customs of a part of the world that very few had explored at the time is now a classic of travel writing. Bell s Syria illuminates a region that continues to preoccupy us today as well as portraying the unique life of a remarkable, still-controversial and ultimately tragic woman.
