

Fated Betrayal (Paperback)

By J N Sheats

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It was like nothing I had ever perceived before, so strong and alluring. It thrilled me to my core, and instead of filling me with fear driven awareness I was excited. The prospect of oncoming battle so enticing I felt my breath grow heavy. Serenity Resigned to never be disobedient again Serenity is ready to give herself over to the will of her master when fate twists her path. A Stranger has come to Tentusa bringing with him new temptations and an intense attraction. There is something familiar about this new arrival. A haunting scent of honeyed clove sparks a familiar feeling, while the scar over Serenity s heart burns with warning. This stranger was capturing my interest more by the second, Serenity said. What was the presence I sensed from him, that growing unease of danger that had poured from his body?.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
