Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I need not explain how these Shadows were suggested, to any one who has seen WILKIE S picture, The Rabbit on the Wall. But by what pains they were invented can never be revealed; for it is known to my tortured digits alone, and they, luckily for me, are dumb. I calculate that I put my ten fingers through hundreds of various exercises before my Bird took wing; my left little finger thrills at the memory of Grandpapa ; and my thumbs gave in no less than twenty times before Boy was accomplished. Yet now how easy it is to make the Duck to quack, the Donkey to bray, Toby to wag his tail, and the Rabbit to munch his unsubstantial meal. Of course the Shadows are not to be reproduced perfectly, on one trial only ; but I believe that in each case I have drawn the due position of the fingers with such care, that the most difficult subject may be accomplished after a few minutes; nor need ingenious youth or parental fondness confine their endeavours to the sketches contained in this book. With a little ingenuity and some patience, new shadows may be produced; and not unfrequently figures appear that one never dreamed of attempting.
