Accounting with Heart: China's Role in International Finance and Business (Paperback)

By Jun Wang

John Wiley and Sons Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. In the Western world, examination of business and finance can often be a dry enterprise. Wang Jun shows, through this extraordinary collection of writings, both the breadth of his world view and the connections which surely exist between the finance, the arts, philosophy and culture. His is a singular voice, which takes the reader beyond the normal realm of finance discourse. Helen Brand Chief Executive, ACCA If China, rapidly becoming one of the world's leading economies, is now equipped with the accounting tools and skills to take its rightful place on the global business stage, it is largely a tribute to the vision and leadership of my colleague Wang Jun. I am delighted that the publication of this book will enable an international audience to hear him speak for himself. Sir David Tweedie Chairman, International Accounting Standards Board (IASB) This insider's look at the inner workings of China comes from an author who has seen the growth of the modern accounting profession from the start to the present day, as his country prepares for the age of global accounting and auditing...

Reviews

This is the greatest book i have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publish this ebook.
