## CRACKSTONE CHRONICLES EXTINCTION

Tempt Press. Paperback. Book Condition: New. Paperback. 362 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Extinction is just the beginning. Do you ever wonder what's behind the whole ET phenomena? This Science Fiction trilogy, The Crackstone Chronicles, weaves the life of a Zizthanthe ambassador, John Crackstone, through three millennia and two galaxies with the lives of two Earthlings, Matt Hollinger and Sylvia Huffstedder. The Kardashev scale rates a civilization based on its level of technological advancement. Type one can use all the available power from its planet, a type two can make use of all the existing power in its solar system and a type three can utilize all the power available from multiple stars, even an entire galaxy. What would a type four, five or six civilization be like? Ambassador Crackstone, Matt and Sylvia are recruited by an advanced civilization for an outwardly simple, but in reality quite complex assignment. The three parts to the Crackstone Chronicles, Extinction, Connections, and Magical Solution will provide an adventurous ride through time and space, ending up with answers to the question: are other civilizations here on Earth, and why are they here? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
