Tames is a heartwarming tale of a young coyote pup and his three older brothers. Coyote South wants to try to change the way that the seasons come in sucession. The young pup wants to shorten autumn which will make winter come early. Little does he realize the reprucussions that it will bring when nature is changed.Despite his older brothers warnings(winds). Little South succeeds in changing the seasons and the natural order of weather, but what happens when he does? Will the bears go hungery? without storing their fat for sleep during the winter months? Will farmer be able to harvest his crops? What has Coyote done? can the seasons be put back on track before it is too late? Tames has written a sweet and invaluable tale for children that teaches the importance of family: the lessons we learn as we grow older, the infinite wisdom of the natural order of the earth and its workings: and the respect we must have for Mother Earth.
