CHRONICLE BOOKS, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. As befits a future President of the United States of America, Maggie Mayfield has decided to write a memoir of the past year of her life. And what a banner year it's been! During this period, she's Student of the Month on a regular basis, an official shareholder in Coca-Cola stock and defending Science Fair champion. Most importantly, though, this is the year Maggie has to pull up her bootstraps (the family motto) and finally learn why her cool dude dad is in a wheelchair, no matter how scary that is. Author Megan Jean Sovern, herself the daughter of a dad with multiple sclerosis, writes with the funny grace and assured prose of a new literary star. A portion of the proceeds of the sale of this book will be donated to the National Multiple Sclerosis Society.
