

Video Noir (Paperback)

By James J Caterino

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Welcome to Video Noir, the next-generation, video-sharing Web site where dreams (and nightmares) come to life with hyper-realism. Just released to the world, Video Noir lets you experience video like nothing you've ever seen before and nothing you could ever imagine. It quite literally alters the way you look at reality-and the way you remember it. Private detective Rick Blazer and twenty-two-year-old Internet-video celebrity Caitlin Blue embark on a dark and dangerous journey to discover the true agenda of the mysterious men behind this sinister new technological wonder. The site's creators have kidnapped at least one man-and have likely killed others-in their quest to develop flesh-to-flesh contact and memory creation and deletion via the Internet and video sharing. The merger of science and technology could catapult society into risky, uncharted territory, where ethics and morals run riot, and no one knows who (or what) really holds the power. Rick and Caitlin must find the missing Harlan, kidnapped by those who seek control of the unrestrained new technological weapon. If Rick and Caitlin are successful, they may be able to prevent needless...
