By Lacho Pop Mse, DIMI Avram Mse

Digital Publishing Ltd, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The book Top 40 Costly Mistakes Solar Newbies Make is a simple and practical guide that could save you a lot of money, headaches and time during the planning, buying, implementation and operation phase of your solar power system. Whether you have decided to buy a solar electricity system or assemble it yourself, you need a guide. There are thousands of books, articles, leaflets, forums and many other resources available online telling you what to do. However, it is always easy first to find out what NOT to do, and get that in a straightforward and comprehensible manner, in the form of practical tips and hints given by engineers with a long-term experience in electrical and electronic engineering. Do you know when you need a stand-alone system and when - a hybrid one? No matter whether you are a potential buyer or an avid do-it-yourselfer, you are probably curious to find out the best site in your property for a solar array to install. Or you are eager to know which solar panel type is the best for your case? Let...
