THE ADVENTURES OF LILY SUTTON #8 - A WOMAN S INTUITION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Adventures of Lily Sutton #8 - A Woman s Intuition is about a young woman on her own with just her instincts or intuition to protect her. In and out of relationships, Lily had her own set of rules and integrity that helped her to shape the path in which she wanted to go. Being beautiful and kind were not enough to protect a young girl in a small town. So many men thought a single girl was a girl looking for some man to take charge of her and her life. Lily forges ahead in her independence. She is a young business woman who has the heart to run a business even if she does not have the money to do so. Determined not to sell out her heart for a man she does not love, Lily takes a chance on herself and embraces loneliness rather than to run into the wrong arms. Lily undertakes an adventure that forces her to learn that she is never alone and vulnerable when she listens to and recognizes a woman s intuition.
