Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Kaplan Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the organization with a decade of expertise in transfer admissions, Kaplan Educational Foundation's Your 2018 Guide to College Transfer is a comprehensive handbook for the entire transfer process, from application to enrollment. Whether you always knew you'd transfer credits or you just realized there's a better path to your bachelor's degree, this guide is for you. We provide all the information you need to assess your educational options and choose the right school for you, including in-depth school profiles that feature transfer admissions policies, financial aid options, and resources available specifically for transfer students -- all in one place for the first time. Your 2018 Guide to College Transfer profiles top transfer schools in the U.S., and also highlights the best schools for underrepresented, first-generation, non-traditional age, community college, military-affiliated, DACA, and undocumented students contemplating transfer, as well as students with children. We'll show you what makes a student successful during the admissions, transfer, and enrollment processes, and how to achieve that success in your own transfer. Whether you're a student, a parent, a guidance counselor, or a college adviser, Kaplan's map can help you navigate the complex landscape of college transfer. The Kaplan Educational Foundation's Transfer Guide proves that Kaplan gets it. They truly understand both the challenges facing transfer students and the value these students bring to transfer institutions. I see this guide as a roadmap for transfer students and their families as they navigate the complexities of finding a right-fit transfer institution. I also see this guide as a resource for educators who are looking for new and better ways to meet the unique needs of transfer students. - Dr. Lynn...
