HARPER PERENNIAL, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In The Amazing Adventures of Kavalier and Clay, prose magician Michael Chabon conjured the golden age of comic books, intertwining history, legend and story-telling verve. In The Final Solution, he has condensed his boundless vision to create a short, suspenseful tale of compassion and wit that re-imagines the classic 19th-century detective story. In deep retirement in the English countryside, an 89-year old man, vaguely recollected by the locals as a once-famous detective, is more concerned with his bookkeeping than his fellow man. Into his life wanders Linus Steinman, nine years old and mute, who has escaped from Nazi Germany with his sole companion: an African grey parrot. What is the meaning of the mysterious strings of German numbers the bird spews out-a top-secret SS code? The keys to a series of Swiss bank accounts? Or do they hold a significance at once more prosaic and far more sinister? Though the solution to this last case may be beyond even the reach of the once famed sleuth, the true story of the boy and his parrot is subtly revealed to the reader in a wrenching resolution to this brilliant homage. The Final Solution is a work from a master story-teller at the height of his powers.
