Beethovens Letters A Critical Edition with Explanatory Notes Cambridge Library Collection - Music Volume 2

By Ludwig Van Beethoven

Cambridge University Press. Paperback. Condition: New. 544 pages. Dimensions: 8.5in. x 5.5in. x 1.2in. Ludwig van Beethoven (1770-1827) was a prolific letter writer. Often written in great haste - he regularly signed off in der Eile - his correspondence allows us to follow his anxieties and preoccupations. From his first letter, written at the age of thirteen, wherein he declared his lifelong commitment to the craft of music, through the poignant Heiligenstadt Testament, up to the final codicil to his will, these documents reveal the human figure behind some of the greatest music ever written. In this two-volume English translation of 1909, John South Shedlock (1843-1919) retains as far as possible the idiosyncratic and error-ridden texts as written by the great composer. Spanning the period 1816-27, Volume 2 finds Beethoven concerned over his financial situation and the poor printing of his music, and includes the final codicil to his will, written just three days before his death. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This publication is definitely not effortless to get going on reading but very fun to learn. It really is written in simple terms rather than difficult to understand. Its been printed in an extremely simple way and it is merely right after i finished reading through this pdf by which basically changed me, alter the way in my opinion.
