Configuration Management (Hardback)

By Joseph Sorrentino

Taylor Francis Inc, United States, 2008. Hardback. Condition: New. New.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Best Practices in Configuration Management to Ensure Quality Many organizations are invoking a new kind of management technique - Configuration Management - meant to ensure a product maintains its originally intended design, materials, composition, and processing throughout its entire lifecycle. This method moves away from current supply chain thinking, in which products often undergo countless changes throughout the process. Configuration Management: Implementation, Principles, and Applications for Manufacturing Industries decreases the risk of safety breaches and timely and expensive changes, while preserving the quality of the end product. This volume provides businesses with the management objectives necessary for survival in today s corporate structure. Examines the Lost Tribal Wisdom of Project Management This valuable guide emphasizes that configuration management is driven by designers, not by the often unpredictable whims of end-users. It also addresses ways to overcome missing tribal wisdom - the tendency to fall into the new-newer-newest syndrome, always looking for the next great technology, software, etc. The book contains more than 60 reader-friendly...
