Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

CONTRASTES WITH MYFRENCHLAB PACKAGE: GRAMMAIRE DU FRANCAIS COURANT

Prentice Hall, United States, 2013. Spiral bound. Book Condition: New. 2nd. 226 x 165 mm. Language: English . Brand New Book. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson s MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. Packages Access codes for Pearson s MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a high risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. ----- The 2nd edition of Contrastes: grammaire du francais courant remains what it originally set out to be: a comprehensive French grammar review geared specifically to English-speakers with some exposure to the French language. Written in French (with occasional footnotes and explanations in English), it is meant for those who have already acquired a foundation in French, but who need a tool to help them review and expand upon what they already know to improve their mastery of complex grammar rules and formations. Features: Written in French, with idiomatic North-American translations of all examples. Nota Bene helps students focus on correcting the most common mistakes by drawing attention to exceptions, contrasts, or frequent errors. Charts and...
