Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

FAVOURITE DAYS (PAPERBACK)

Macmillan Education, United Kingdom, 2001. Paperback. Condition: New. Language: N/A. Brand New Book. This book aims to develop young children's interest and enjoyment in reading. Then, go through the book page by page, talking with the child about the pictures and what is happening. Tell the story of the pictures. Read each sentence aloud. You could then ask the child to repeat after you, or to point to individual words as you say them. As you do all these things, the child will be learning about the words and pictures. They will also be learning how we read books in English, by turning the pages carefully, moving our eyes from left to right to follow the words. When you have gone through the story, you will find some activities on pages 20-23. On pages 20-21, children have to identify the names of the days of the week, and match them with the different objects. Let them look back in the book to do this. On pages 22-23, they have to match the activities with the type of weather. Above all, help the...
