Bloomsbury Publishing PLC, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Ideas and Debates in Family Law is written for family law students, at undergraduate level and beyond, who are looking for less orthodox ideas about family law. The book's first section looks at themes in family law, addressing challenges facing the family justice system, rights and responsibilities, and the internationalisation of the law regulating families. The second section is focused on adult relationships: it suggests new ways for the law to allocate legal consequences for families, debates the consequences of the contractualisation of marriage, and explores the value of fairness in family finances. The third section is about children, discussing the welfare principle, parental responsibility and practical parenting. Although these issues sound common enough in a family law book, the discussions found here are far from common. Useful by itself or alongside a textbook, Ideas and Debates in Family Law offers new and thought-provoking perspectives on family law issues. Rob George is a new, distinctive and powerful voice in family law scholarship. In this book he subjects received and emerging opinions to incisive examination, providing readers with the intellectual invigoration associated with first class seminars. Above all, he re-claims family law as a significant branch of the idea and practice of justice. John Eekelaar, Pembroke College, Oxford Building on a successful format for undergraduate seminars in Oxford, this unique student text presents an exciting array of thought-provoking debates and intellectually stimulating, sometimes unorthodox, ideas. It will help students to situate their knowledge and to think more deeply and critically about family law and policy. I applaud this book's focus and content and Rob George's vision in writing it. Stephen Gilmore, King's College London Whether you are a student looking for interesting...
