Sterling Children's Books. Paperback. Condition: New. 64 pages. Introducing Montessori-inspired early childhood activity books! This book with eight pages of stickers does more than simply stimulate learning through play: it enhances the cognitive development of the child. The activities become progressively more complex according to the three stages of a child's learning: getting to know the material through sensory experience, recognizing the material, and being able to explain the material. How many apples are on the tree Or cars in the garage Kids will love to play these counting games that teach them all about numbers. Along the way, they'll solve puzzles, add colorful stickers, and practice their writing skills.
