Plata Publishing. Paperback. Condition: New. 240 pages. In Rich Dads Conspiracy of the Rich, Robert Kiyosaki explores why many people are waiting for the political and financial systems of the world to change. He shares his opinion that its easier to change yourself than to wait for our leaders and systems to change. Is it time for you to take control of your money and your financial future Is it time to find out what those who control the financial world dont want you to know Do you want complex and confusing financial concepts to be made simple If you answered yes to these questions, then this book is for you. In 1971, after President Nixon took the U. S. dollar off the gold standard, the rules of money changed. And today, money is no longer money. That is why the first new rule of money is Money is knowledge. Robert Kiyosaki wrote this book for those who want to increase their financial knowledge and take control of their lives. According to Kiyosaki: We cannot see the world of the future with our eyes. The world of the future is invisible, and we have to see it with our minds. Kiyosaki sees a new economy and new definitions of wealth. He believes that there will be new millionaires and billionaires. Money will be made at ultrahigh speed. The question is: Will you be among the new rich, or the new poorThe old economy, the economy as we knew it, is not coming back. A new economy is being born, an economy that will be led by kids born after 1990, young people who only know the invisible, high-speed world of the future. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
