

## The Lady Has a Scar (Paperback)

By Hank Janson

Telos Publishing Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When a successful but brutish playwright is stabbed to death in the aftermath of a wild party, there is no shortage of suspects - but which is the killer? In his latest assignment, Chicago Chronicle crime reporter Hank Janson finds himself participating in a striptease party game, being roughed up by the police investigators and dodging the attentions of a determined nymphomaniac, while he desperately tries to separate the clues from the red herrings. With their erotic pin-up covers and hardboiled crime tales, the Hank Janson pulp paperbacks were a British publishing sensation in the 1940s and 1950s, selling millions of copies to readers craving escapism from post-war austerity. Prosecutions under Britain's then-harsh obscenity laws dealt them a severe blow, however, and today they are highly sought after by collectors. The Lady Has a Scar, originally published in 1950, is one of the most risqué of these classic novels. It is reissued by Telos Publishing complete with its original cover by celebrated artist Reginald Heade.
