

The Origins of Tolkien's Middle-earth For Dummies (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

John Wiley Sons Inc, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. J.R.R. Tolkien s novels of Middle-earth The Hobbit, The Lord of the Rings trilogy , and The Silmarillion have become some of the most famous, and most beloved, literary works of the twentieth century. And the Lord of the Rings films by director Peter Jackson have re-ignited interest in Tolkien and his works, as well as introduced his stories to a new generation of fans. Even if you ve never read the novels and have only seen the films, you know that the world of Middle-earth is a complicated one. Tolkien took great care in representing this world, from creating new languages to including very particular cultural details that add to the richness of the world s fabric. Many other books have been written about Tolkien and his works, but none have come close to providing the kind of reference needed to comprehend the world of Middle-earth. That s what veteran Dummies author and unabashed Tolkien fan Greg Harvey attempts to do in The Origins of Tolkien s Middle-earth For Dummies. As the author says in his introduction to the book, this is not an encyclopedia or quick guide to all the diverse beings, languages, and history that make up Tolkien s Middle-earth. Nor is it a set of plot outlines for the novels. Rather, what you ll find in The Origins of Tolkien s Middle-earth For Dummies is a basic guide to some of the possible linguistic and mythological origins of Middle-earth, plus a rudimentary analysis of its many themes and lessons for our world. This book can help enrich your reading (or re-reading) of Tolkien s novels, and it will challenge you to think about the themes inherent in Tolkien s Middle-earth...
