Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

DEFENSE PROCUREMENTS: TWO ADP SOLICITATIONS UNNECESSARILY RESTRICT COMPETITION: IMTEC-91-36BR

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a legislative requirement, GAO reviewed selected Department of Defense (DOD) computer procurements to determine whether they included any barriers to full and open competition for U.S. computer suppliers, focusing on the: (1) Air Force's procurement of the Tactical Air Force Workstation (TAF-WS); and (2) Army's procurement of the Lightweight Computer Unit (LCU). GAO found that the: (1) solicitations for the Air Force TAF-WS and the Army LCU procurements included 12 specifications that restricted competition by specifying requirements in terms of solutions rather than in functional terms or by requiring a brand-name product; (2) Air Force and the Army adequately justified 9 of the 12 restrictive specifications; (3) three unjustified specifications required all TAF-WS units to have the same hardware architecture, operating system, and compilers, and required LCU to use brand-name products to physically connect the computer to other devices and make the computer more user-compatible; and (4) Air Force did not thoroughly evaluate alternative approaches to a restrictive specification for achieving efficient and effective software maintenance.
