CFZ Press, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There has never been a more popular time for dinosaurs and all things dinosaurian. From blockbuster films packed with breathtaking CGI effects, children's television and video cartoons, computer games, CD-ROMs, animatronic museum exhibitions, and theme parks, to countless books, magazines, toys large and small, ornaments, collectabilia, and even fun lines in confectionery and other edibles, prehistoric paraphernalia continues to scale new heights of desirability worldwide. But nowhere is this more apparent than within the philatelic world - where the issuing in recent years by an ever-increasing number of countries around the globe of handsome, highly-prized stamp sets depicting a spectacular array of dinosaurs and other prehistoric animals is matched only by the corresponding increase of thematic collectors eager to amass an eye-catching, comprehensive menagerie of palaeontological monsters that the custodians of Jurassic Park could only dream about! Now, for the very first time, here is a philatelic catalogue devoted exclusively to these incredible animals. Compiled by zoologist Dr Karl P.N. Shuker, a lifelong, enthusiastic collector of...
