It will show you how to live without fear, knowing that you are not helpless before accident, and disease, and injury. But more than that, it moves into issues beyond health, because all parts of life are connected, no matter how it may appear. Correct internal imbalances and you will see external circumstances change. There are four key parts: Thinking Differently, because for you to change your health, you must be able to envision new possibilities. To do that, you need a reason to change what you believe. Taking Charge provides the framework and techniques you need to go from being a passive observer of your health to an active creator and shaper of patterns. Living Right broadens the application of framework and techniques, because your life is about more than health alone. What Can Be Done offers insights and suggestions as to what s really going on with our health and with our...
