By James Allen Smith

Brookings Institution Press. Hardcover. Condition: New. 236 pages. Dimensions: 9.3in. x 6.3in. x 0.9in. Smith vividly tells of the key individuals, beginning with Robert Brookings, who have shaped the institution. He recounts its relationships with financial supporters and presidential administrations, and he candidly discusses the problems surrounding efforts at funding. Smith places the Brookings research program in an intellectual context and within the changing policymaking environment of Washington. He reveals how Brookings has withstood seventy-five years of shifts in national politics, external perceptions...
