## The Silkworm: Being a Brief Manual of Instructions for the Production of Silk (Classic Reprint) (Paperback)

---

By Charles Valentine Riley

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Silkworm: Being a Brief Manual of Instructions for the Production of Silk Whatever Opinions may be held as to the feasibility, or as to the profits of silk-culture in this country, the desire for information on the subject and the ambition to embark in the industry, evinced by correspondents of the Department, demonstrate the fact that there will be no difficulty in getting our people to turn their attention to it. Without going into details as to the history of past attempts at silk-culture in North America, it must be obvious to all who thoroughly investigate them that the causes of failure have ever been transient ones. They may be summed up in the statements that (1) labor has found more profitable avenues of employment, and (2) that there has been no home market for the cocoons. At the present time the first statement no longer has force, but the second holds as true now as it ever did.
