Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. . L annee 1857 est ou etait la septieme de la sixieme decade de ce siecle. L activite de la vie moderne fait du siecle, je l ai dit plus d une fois, une periode trop longue, et qu il est besoin de subdiviser en decades qui soient a la periode seculaire ce que la petite periode de la semaine est a l annee. Le mot est consacre chez les Grecs, ces Francais du monde antique, qui ont parle de vieillir un grand nombre de decades d annees. Il est bon que la societe universelle regle ses comptes un peu plus souvent que tous les cent ans. L institution des prix decennaux m a toujours paru une pensee feconde, propre a eveiller de nobles ambitions et a payer en juste renommee des travaux utiles a tous. Il faut y revenir. Rien au reste n empechera que le concours soit universel et que toutes les nations y soient appelees. Il n y aura plus de frontieres pour la pensee. Paris prendra la devise de la Rome moderne: Urbi et orbi. Il dira: Pour la France et pour le monde entier, aux hommes de genie, le genre humain reconnaissant ! .
