## BECOMING FINANCIALLY SECURE: WHAT YOU NEED TO KNOW

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book will tell you what you need to know to become financially secure. The basic principles of financial security are just not that complicated, but many of us never got good information on what we should do and routinely make mistakes that can hurt our financial security. For example, the real average person making real average investments does a terrible job of it. It is simple and easy to do much better once you know what you should do. Many topics are covered in this book including: How to Plan to Become Financially Secure A Practical Guide to Being a Good Investor Planning For a Happy Retirement Tax Planning Budgeting Credit and You What You Should Know About Buying Homes Common Risks and How to Effectively Manage Them Wills and Estate Planning For many decades the author sat in his office with impressive framed pieces of paper on his wall and tried to be clever and wise for the clients in his practice. Also, as a hobby, he started teaching classes about finances and taxes at the graduate and undergraduate level at some local universities. In recent years he taught MBA students about personal financial planning. He was always struck by how much even MBA students could benefit from a basic understanding of personal finances. For years he looked for a book, any book, to give to his students and clients that explained the basics of how to achieve financial security. Most books on the topic are harmless enough, most of the time. However, they tend to bore you with useless information and leave out vital things. Also, occasionally, some books will recommend you do something dangerous...
