Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We all expect a divorce to be both emotionally and financially draining. Unfortunately, anger and anxiety often distract divorcees from the important task at hand: navigating the divorce proceedings. The difference between becoming buried in debt and hitting the ground running is effectively negotiating and working with your divorce attorney. Wayne Schoeneberg, JD, CPC, is an attorney with more than forty years of experience. In this essential handbook, Schoeneberg lays out the essential need-to-know details of how to approach your divorce in a way that offers you the most benefit for the lowest cost. Attorneys will not advise you on how to pay them the least amount of money. It is up to you to come prepared to ask the right questions and take on the work that you can perform so that your attorney doesn t have to. Schoeneberg shows you how to find the right attorney, create a relationship that solidifies its role as one of business, take on the work that frees up your attorney s time for more important matters, and speed up the overall divorce process, saving you both time and money.
