## Teaching, Learning and Assessing Science 5-12 (4th Revised edition)

By Wynne Harlen

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Teaching, Learning and Assessing Science 5-12 (4th Revised edition), Wynne Harlen, 'Professor Harlen has, once again, provided the leading text on primary science. This eminently readable book sets out a clear account of our understanding of learning, teaching and assessment and, through the skilful use of examples, explores the implications of this for science teachers of pupils aged five to 12. By emphasizing the importance of research evidence and the way in which it should underpin practice, this new edition challenges everyone involved in science education to reflect again on whether we are providing the most appropriate learning opportunities for our pupils. It is certainly a book which will be highly recommended, referred to on many occasions and used extensively' - Dr Derek Bell, Chief Executive, The Association for Science Education This thoroughly revised and completely up-to-date new edition provides an excellent theoretical framework for teaching science that is firmly grounded in classroom practice and covers all stages of education for students aged five to 12 years. The author details a constructivist view of learning, which recognizes that children already have ideas about the world in which they live, and gives advice...
