Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the INTRODUCTION. In the early eighteenth century, metaphysical speculation turned from the material world toward the inner life of man. Des Cartes and Malebranche in France, and Locke in England, had stripped the external world of its warmth and light and color and had left to it little save the character of extension. The completely idealistic theory of...
