

## Digging for Profit: Secrets to Success in the Construction Industry (Paperback)

By Jeff Spencer

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Construction is a tough business. It can make you rich. And it can drive you into the ground. I should know. I ve been in the construction industry for nearly a quarter century. I ve been the guy sitting in the office bidding jobs. I ve been the guy operating the backhoe. Hell, I ve even been the guy shoveling gravel. I ve made a lot of money. And I ve gone bankrupt. But I dug my way back out. I wouldnt t trade any of that experience because it has made me who I am today (well, maybe I would trade the bankrupt part). Today, I am a professional construction estimator and co-founder of ProfitDig LLC - an online application for easy construction estimating and job costing. This book is the culmination of my nearly twenty-five years worth of knowledge in the construction industry. You can be successful in your own construction business, if you do things the right way. First off, you need to be really good at whatever it is you do. Forget about starting your own...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*

*-- Mr. Grant Stanton PhD*

*A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*

*-- Claire Bartell*
