She's preoccupied with the surprise success of Bessie, the oddly lifelike centrepiece of her Manhattan museum show. Her great-aunt Liza is busy ordering spooky old books from the dusty vaults below Charing Cross Road, while her friend Jack prefers brand-new books and his brand-new lover. When a little leather book arrives, Liza finds it repellent, but doesn't realise it's stained with vampire blood - until too late. Its arcane magic brings Bessie to life, and gives Daniel unimaginable power. As Daniel's supremacy grows, everyone's lives are infected. Soon the vicious vampire infestation rife in NYC threatens to spread to London - and only Bessie and her new friends can stop it. 448 pp. Englisch.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
