By Casey L Bond

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Everything in Porschia Grant's world was finally normal; the daily routine peppered with moments of happiness, sadness, and monotony. She longs for those moments now, because her entire world has been wrecked, and she didn't even see it coming. An evil escaped the underworld, killing someone she loves. It has to die, and she wants to be the one to end it. But can Porschia live with herself if she takes on the curse she once hated? Will the consequences of her choice crush her? How will she feel when someone from her past, someone she loved so deeply, enters her life again? Tage has been guiding his son from the afterlife. He's always been a part of Seth's life, even if Porschia didn't know the extent of his involvement. He's watched over both of them from afar. Close, but never close enough. Now they need him, and he's about to risk everything to show her how much she still means to him. For some, love never ends and frenzy is forever.
