

## Taking on Twins (Paperback)

By Mollie Campbell

Love Inspired Historical, 2017. Paperback. Condition: New. Language: English . Brand New Book. Doctor Daddy Jake Hadley expects challenges when he returns to his frontier hometown to establish a medical practice--but caring for orphaned toddler twins wasn't part of the equation. The new doctor would be out of his depth without Coralee Evans's help. Once his sweetheart, now his best friend's widow, Coralee has a tender way with the children that makes him long for a second chance. Until Jake is faced with a choice: Coralee or his career. When Jake left Spring Hill for medical school, Coralee believed he'd abandoned her. And though a reunion might be possible, he's working for the man trying to ruin her apothecary business. Could caring for these sweet children bridge the gulf between them and provide a prescription for rekindled love?.
